## **NORMAN POLICE DEPARTMENT**

### **\$9,000 Diamond Ring Theft**

The Norman Police Department requests the public's assistance to identify a man who took a \$9,000 diamond ring from Kohl's on Monday, March 5, 2012. According to the police report, the man arrived in the store, which is located at 2110 24<sup>th</sup> Avenue NW, about 8:45 pm. He approached the jewelry counter a few minutes after coming in and began speaking to a clerk about purchasing a ring. While the employee showed the man several rings, he said he would take one "...and then ran for the front doors..." with the ring.

Witnesses described the suspect as a white male between 40 and 50 years of age with gray hair, a goatee, and mustache. According to the clerk, he had thick, calloused hands.

Anyone with information should telephone the Norman Police Department at (405) 321-1600 or Crime Stoppers at (405) 366-7867.
